### PERFORMANCE

- Performers will exit from the Northwest "Performer Exit" door. Upon exiting, the unit's tarp can be returned to the tarp storage area. We ask that all tarps be cleared out before the start of the percussion portion of our show to make room for frontline instruments.
- If time permits, guards will be allowed to re-fold their tarps in the gym during the break between the guard and percussion portions of the show.
- Music checks for guards must be done prior to the start of the show or during the class breaks. You must bring your music to the announcer table located in the South Gym.
- Please bring a CD for your sound check and performance. Have a back-up CD as well in case of difficulties.
- This is an adjudicated show. Judges' critique will follow the end of the guard and percussion portions.
