On Behalf of Chieftain Nation, our students and staff,

I would like to welcome all of the groups, families and friends attending this year's HWAA Championships. At Bellevue East, we believe in ensuring that our students receive the best learning opportunities and experience a high school can offer. Being able to host and perform in events like this help create those experiences for our students.

Bellevue East has a strong tradition of excellence in the performing arts, and we are excited to share our students' talents with you and to see all the other outstanding programs perform. All participants in today's competition put in a tremendous amount of time throughout the school year, balancing extracurricular activities and academics at the highest level.

If I can be of assistance during the competition, please don't hesitate to contact me.
