Dear Performers, Instructors, and Music Lovers,

Welcome to Elkhorn North High School for the third HWAA show of 2022! We are incredibly excited to have the opportunity to host this event, and look forward to sharing a wonderful day of indoor marching arts with all of you!

Please make sure that you go the correct school- this event is being held at Elkhorn NORTH High School, which is just North of Maple Street and on the East side of 180th street.

Audiences and individual performers can come in the front door to our school, but equipment trucks, etc. will need to pull ALL the way around to the very far side of the building to unload. The actual access is really easy, but the layout of the grounds kind of hides things when you pull up, so don't be alarmed and think you are going the wrong way, just follow the signs. It's a long way around the building.

We will utilize a vertical timeline for all ensembles.

One additional flow issue for winds and drumlines- please note that our gyms at ENHS are "sunken". The performance floor is at the basement level compared to the rest of the school. For this reason, it is not possible to access the gym floors with wheeled equipment from other levels of the school. Just please make sure to plan properly with any arrival and packing.

Our school is within the limits of Omaha, so if a mask mandate is in effect, we will be expecting all audience members to be masked, and performers to be masked except when actually performing. If the mask mandate has expired or been revoked, Elkhorn Public Schools strongly encourages but does not require masking.

The students, parents, and staff of the Elkhorn North High School Instrumental Music program are honored to host all of the performing groups this weekend, and look forward to making this show successful for all involved, including the audience here to perform the vital role of cheering on each unit! If there is anything we can do to make your experience even better, please don't hesitate to ask!

Sincerely,

Matthew Rom
